Awards

The 2012 Edward Chou CCC Award. Honors an outstanding contribution to the scientific knowledge base of countercurrent chromatography and its application. The winner will receive a cash prize (CY10000), a trophy and a certificate.

The 2012 Crafty Chromatographer Prize. Honors an outstanding student (undergraduate or graduate) for the selected best original contribution to the CCC 2012 conference. The winner will receive a cash prize (CY5000) and a certificate.

7th International Conference on Countercurrent Chromatography

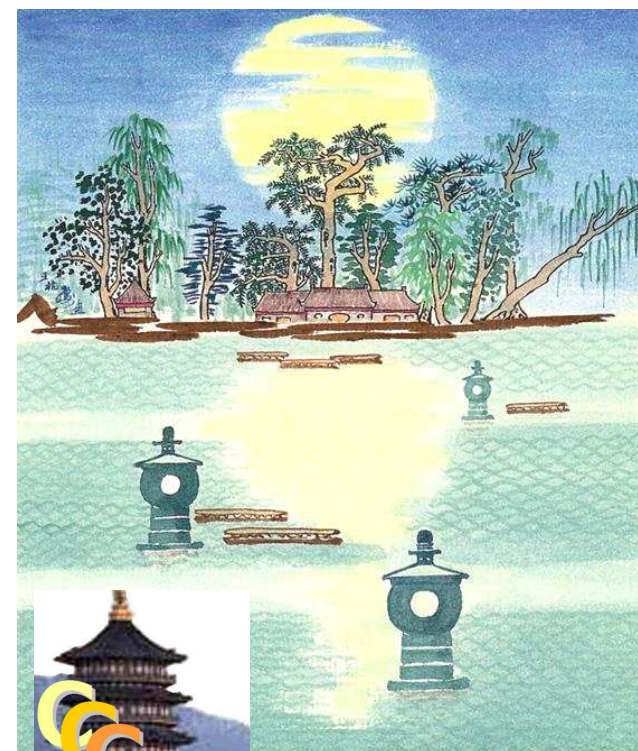

7th International Conference on Countercurrent Chromatography

CCC 2012

Hangzhou-China

August 6-8

First circular

CCC2012 - Hangzhou, China – August 6-8 – <http://hzccc2012.sepu.net>

Twelve years after CCC2000 in London chaired by Pr. Ian Sutherland, and following on from CCC2002 in Beijing (Dr. T. Zhang), CCC2004 in Tokyo (Pr. H. Oka), CCC2006 in Bethesda (Dr. Y. Ito), CCC2008 in Rio de Janeiro (Pr. G. Leitao), and CCC2010 in Lyon (Pr. A. Berthod), CCC2012 will be held in Hangzhou, China. The conference will encompass all areas involving countercurrent chromatography (CCC), such as theory, new technology, and applications. A two-day short course will precede the conference.

Host and Organizer

Zhejiang Gongshang University

Co-organizers:

Beijing Technology and Business University
Beijing University of Chemical Technology
China Chromatography Web (www.sepu.net)
China Pharmaceutical University

National Research Center of Engineering Technology for
Utilization of Botanical Functional Ingredients, Hunan
Agricultural University

Shandong Analysis and Test Center, Shandong Academy of
Sciences

Shanghai Institute of Materia Medica, Chinese Academy of
Sciences

Sichuan University

The Second Military Medical University

Zhejiang University

Chairman.

Pr. **Qizhen Du**, Zhejiang Gongshang University

Co-Chairman:

Pr. **Yuanjiang Pan**, Zhejiang University

Scientific and Organizing Committee

Pr. **Qizhen Du***, Zhejiang Gongshang University, China

Pr. **Yuanjiang Pan***, Zhejiang University, China

Pr. **Alain Berthod***, University of Lyon, CNRS, France

Pr. **Xueli Cao***, Beijing Technology and Business University, China

Pr. **Lijuan Chen**, Sichuan University, China

Pr. **Walter Conway***, University of New York at Buffalo, USA

Pr. **Guorong Fan**, The Second Military Medical University, China

Pr. **John B. Friesen***, Dominican University, USA

Dr. **Svetlana Ignatova***, Brunel University, UK

Dr. **Yoichiro Ito***, National Institutes of Health, USA

Pr. **Yeong Shik Kim**, Seoul National University, Korea

Pr. **Eiichi Kitazume**, Iwate University, Japan

Dr. **Martha Knight***, CC Biotech LLC, USA

Pr. **Lingyi Kong**, China Pharmaceutical University, China

Pr. **Artak Kostanyan***, National Academy of Sciences of Armenia, Russia

Pr. **Gilda Leitao***, Universidade Federal do Rio, Brazil

Pr. **Zhonghua Liu**, Hunan Agricultural University, China

Pr. **Tatiana Maryutina***, Russian Academy of Sciences, Russia

Pr. **Andrew Marston**, University of Free State, South Africa

Pr. **Hisao Oka***, Kinjogakuin University, Japan

Pr. **Guido Pauli***, University of Illinois at Chicago, USA

Pr. **Yoichi Shibusawa***, Tokyo Univ. of Pharmacy and Life Sciences, Japan

Dr. **Kazufusa Shinomiya***, Nihon University, Japan

Pr. **Ian Sutherland***, Brunel University, UK

Pr. **Xiao Wang**, Shandong Analysis and Test Center, Shandong Academy of
Sciences, China

Pr. **Yun Wei**, Beijing University of Chemical Technology, China

Dr. **Adrian Weisz***, U.S. Food and Drug Administration, USA

Pr. **Peter Winterhalter***, Technical University of Braunschweig, Germany

Pr. **Changhu Xue**, Ocean University of China, China

Pr. **Fuquan Yang**, Inst. of Biophysics, Chinese Academy of Sciences, China

Pr. **Yang Ye**, Shanghai Institute of Materia Medica, Chinese Academy of
Sciences, China

Dr. **Tianyou Zhang***, Guangdong R&D Center for Reference Material of
Natural Products, China

*Members of the CCC International Advisory Committee

General Information

Conference Date: Aug. 6-8, 2012

Conference Venue

Hotels in Hangzhou are relatively cheap. A comfortable single or double room usually costs 70-80 US\$/day. For students, there are cheaper rooms available for less than 40 US\$/day. Free rooms will be offered to 30-40 students.

Founded more than 2,200 years ago, Hangzhou is cited as one of the *Seven Ancient Capitals of China*. Hangzhou has a population well over 3.5 millions and is renowned for its historic relics and natural beauty with the popular sights of *West Lake*.

Summer average temperatures are between 25 and 33°C (77-91°F) with 80% humidity with mostly sunny days and moderate chances of rain.

Language: English

Registration fees

The registration fee includes all meals during the conference, transportation between hotels and venue, a copy of the abstract book and proceedings, and sightseeing program for accompanying persons.

Regular: 300 US\$

Postdoc: 150 US\$

Students: Free (0 US\$)

On Line registration will be available May 1st, 2012.

<http://hzccc2012.sepu.net>

Exhibit and Short Course.

A key part of CCC2012 is the exhibit. Booth space will be available contacting the organizers. A two-days short course will be taught mostly in Chinese and just before the conference. All information will be posted on the web site.
